Who We Are

The Company

Founded in 1948, Project Clean is a Canadian cleaning solutions manufacturer dedicated to providing our customers with superior cleaning products for retail, commercial and industrial markets. Our focus is on accelerating our industry's transition towards sustainable cleaning solutions through innovation that creates long-term value for all stakeholders.

Our Innovation Strategy

Smart Chemistry

- Maintain a comprehensive inventory of chemical ingredients in our products
- Manage risks to human health & safety and the environment
- Engage in green chemistry

Manufacturing Process

- Streamline operating systems to improve production process efficiency
- Transition Project Clean to run on 100% green renewable energy at all facilities
- Engage in high quality

Customer Solutions

- Provide tailored programs to assist our customers reach their goals beyond facility maintenance and cleaning
- Enhance customer experience to provide long-term value

Resource Efficiency

- Reduce pre and post-production waste to move towards zero waste
- Design our products to reduce material and transition to recycled or renewable content
- Water management efficiency to protect

innovation that
goes beyond
industry standards

manufacturing
through
certification
programs

- Engage in
collaborative
product and
program
development to
address industry
challenges

our watersheds and
biodiversity

Creating a Naturally Better Tomorrow

At Project Clean our purpose is clear. We dedicate ourselves to creating naturally stronger, safer cleaning solutions.

Our beliefs (/our-purpose/)

Our Story

Back to the Origins

Project Clean's historical legacy takes root in the early 1900s. Savolite draws its origin from the French brand Palmolive, which competed in a market that was dominated by the popular Lever Brothers' Sunlight. By the early 1970's, Savolite S

Certifications

Our Reach

We have come a long way from only servicing Canada's Westcoast. With our Head Office in Hamilton, ON, and several manufacturing facilities we have expended our reach to provide our cleaning solutions from the Pacific to the Atlantic in both Canada and the United States.

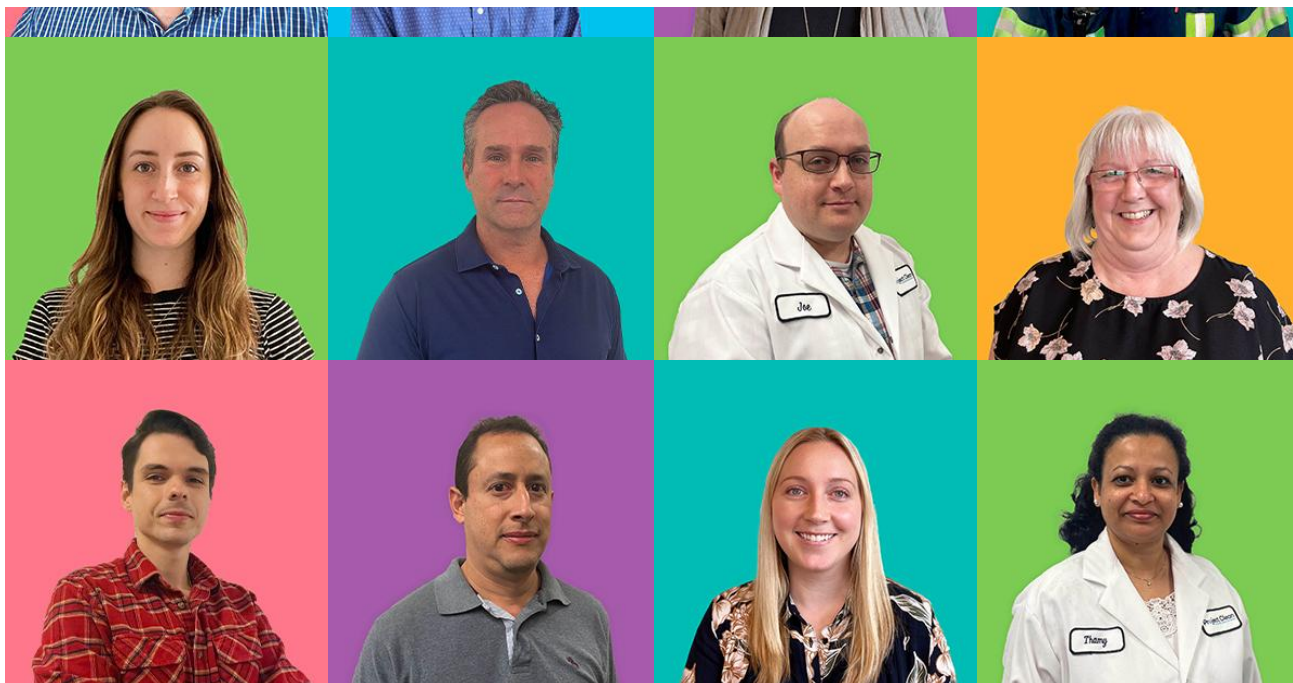

No settings found for the grid #7.

The Team

Our talented and diverse team may be spread across North America, but we are closely connected as we work together towards a single purpose. We

welcome and celebrate all who want to join us on our mission for a cleaner, healthier and safer future for all.

Interested in joining our team to innovate the industry?

We believe in equal opportunity and advancement for all our employees and are dedicated to their growth through our employee experience program.
