WELCOME TO G.L. CAPASSO

STRUCTURAL RESTORATION CONTRACTORS

Recognized throughout the Northeast for our unique approach to masonry restoration, leak detection system and pointing, G.L. Capasso Inc. has been specializing in building envelope maintenance and rehabilitation for over 40 years.

Our team approach to each project is centered on developing a continuing client relationship while providing state of the art technical solutions to meet our customers' needs. Our strengths are our ability to adapt to a changing industry and our diversified specialty services, which create our ultimate competitive advantage.

Featured Projects

Wadsworth Antheneum

G.L. Capasso Inc. was contracted by the Wadsworth Antheneum to restor it's grand facade.
