

Capabilities Statement

People, Places & Spaces (PPS) provides commercial office furniture and corporate workplace solutions that include demountable glass walls and raised access flooring. Our services include:

- Design & Space Planning
- Furniture Application & Specification
- Project Management & Coordination
- Delivery, Installation & Reconfiguration

Differentiators

Our competitors can sell furniture, but we provide the best experience through the “power of partnership” so clients can focus on the big picture. We make it simple and easy.

- First and foremost, we are a trusted partner.
- We embrace transparency in business.
- We listen, learn and execute.
- We are driven to understand each client’s culture.
- We design solutions for many generations.
- We seek flexibility and agility to accommodate change.
- We create experiences to remember.
- The customer experience is a top priority.

Past Performance

Our team has over 100+ years of combined industry experience regarding furniture solutions, commercial workplaces, social spaces and unique client perspectives. Additionally, PPS President & CEO Mark Nisbett, has spent over 25+ years on the client side as a buyer of commercial furniture from all major manufacturers for Cigna Healthcare, Webster Financial, Philip Morris and Altria Corporate Services.
