PAST PERFORMANCE
- **DXC.technology (DXC) Tysons, VA** – Contracting services since 2014. LTI is a Tier One Vendor. DXC formerly known as Computer Science Corporation (CSC) merged with HP Enterprise to form DXC. HP purchased EDS which was originally founded by Ross Perot. DXC is a global company and provides us with a large volume of active open IT positions. Although DXC is global, our company has dedicated teams that provide customized solutions for our clients. We source business analysts, developers, Project/Program Managers and other IT specialties for a wide range of IT solutions.

- **Voya (Formally ING) – Windsor, CT** – Contracting services since 2004. Currently Providing BA and Software Developers consulting services.

- **National Life Group, Montpelier, VT and Addison, TX** – Contracting services since 1996. Mr. Kasica successfully managed the Y2K conversion effort with a SPI staff averaging 30. Currently providing Project/Program Managers and Business Analysts.

- **Ohio National Financial Services Cincinnati, OH** – Contracting services since 2014. Providing Software Developers and Business Analysts.

- **Covendis** – Contracting services as of 2019. Providing IT contracting services to State of CT Agencies.
