ABOUT JOBMA

Jobma is a digital interviewing platform, designed to save HR teams time and money when screening and hiring employees. Our innovative use of pre-recorded & live video interviews, audio interviews and digital assessments give employers the capability to drastically improve their quality of hire. We currently work with over 500 clients in 50 countries, 14 different languages and growing, our goal is to democratize access to HR technology by offering affordable rates at a global scale.

We are a proud Minority owned business enterprise that has received multiple awards and accolades for our quality work. Our most recent awards include G2 Leader, High Performer Mid-Market and High Performer Enterprise in Video Interviewing, Trust Radius Best Relationship, Best Feature Set and Tech Cares awards.
