## CAPABILITY STATEMENT

Betts Plumbing & Heating Supply is a reputable and reliable plumbing wholesale company founded in 1959. As a woman-owned business, we take pride in our commitment to excellence, integrity, and customer satisfaction. With over six decades of experience, we developed relationships with reputable manufacturers, ensuring products of top-notch quality and performance. Betts has built strong relationships with mechanical contractors, facility managers, public institutions and government entities. We strive to understand our clients' unique requirements and provide personalized solutions to meet their needs.

### CORE COMPETENCIES

- Knowledgeable and highly trained team
