#### ABOUT US

The founder of the company, Calbert Gordon has over 10 years of experience in the retail supply industry. Having played on both sides of the spectrum, working for retailers and distributors, Calbert has a practical understanding of the demands of our customers. He has dealt with a wide range of problem-solving as the lead sales manager. His industry insight has made him transition into the market seamlessly. Calbert has always been a couple of steps ahead of the competition by collecting data and preparing solutions to his findings.

#### CAPABILITIES

ASAP SHIPPING LLC is a fast, accurate, and reliable supplier with a goal to provide quality supplies throughout the globe. We are continually utilizing all the new and available technology to continue our goal of focusing on excellent customer service. We provide Safety Equipment, FR Clothing, PPE, Screws, Nuts, Bolts, Electrical Supplies, Concrete, Storage Containers, Cranes, Food Distribution, Paper Products, Transportation, and Logistic Services. We offer same-day or next-day shipping on select items.

#### EXPERTISE

ASAP SHIPPING LLC was founded by Calbert Gordon with years of experience in the industry. Working with manufacturers and logistics partners our team has a rich understanding of the needs of the clients and how to deal with a myriad of issues. Since its inception, the staff has increased to provide the additional services required by growth. Such services are performed by our 3PL's, as well as our in-house project manager. As liaisons between such agencies as the The Dutra Group and Sysco Wholesale Corporation, our employees are always available to our clients to ensure you receive exceptional customer service which include client-to-employee messaging, daily updates, and regular progress reports.
